

The main hope of a nation lies in the proper education of its youth ~ Erasmus

Students are at the root of the development of any country. One can never hope for a country to be successful if not for the educated, hard-working and talented people living there. Education acts as a compass for the students to live purposeful lives. For the same reason, at SAM group, we meticulously shape the young minds in a way that they can skillfully lead the nation towards a glorious phase.

Our academic curriculum is designed to ensure continued teaching, learning, research and innovation to create maximum social impact. We have an innovation council, incubation centre, entrepreneurship cell and research labs to make that possible. We also have a collaborative partnership with business, government, and other research institutions to make sure that each student gets the right kind of exposure and practical learning.

The university has highly qualified faculty in their respective fields of expertise. A large number of national and international conferences, seminars and workshops are organized by the university to provide a variety of experiences to the students and inculcate skills such as leadership, management and team spirit which are helpful in their career.

In terms of credentials, the University has a long history of achievements. We have been awarded as "Best Educational Group" by Chief Minister of M.P., Shri Shivraj Singh Chouhan, "Best Group of Placement" by Hon. Dr Satyapal Singh, Minister of State for HRD, Government of India, "Best Group for Girls' Education" by Hon. Finance Minister of India, Mrs Nirmala Sitharaman, "Best Upcoming University" by Hon. Minister, Govt. of India, Shri Nitin Gadkari, "Best Educational Group in Health care sector" and "Best Group for Infrastructure and Campus".

On behalf of the University family, I assure you that you will always be proud of your decision to join SAM Global University and with each class, we will bring you closer to your dream career.

We look forward to welcoming you to the SAM Global University!

Dr. N.K. Tiwari

Vice-Chancellor, SAM Global University
